REGISTRATION & LOGGING IN

- Registration form: <https://kf.kobotoolbox.org/accounts/register/>

Follow the directions to register. Use small case for login username only. KoBoToolbox will then send you a **confirmation link** through your email account, which you **must follow** in order to complete the registration.

- Logging in

Use the link (<https://www.kobotoolbox.org>) to access KoBoToolbox on a computer. It is supported by most browsers. Click **SIGN UP** in order to find login.

Global City Sampling Day – June 20th

Please ship all samples to NYC before September 1st!
